

Private Pilot Ground Training Log- Part 61 Only.

Name of Student Pilot _____ Certificate# _____

Log of Ground Training 61.105(b)

Subject	Hours	Date	CFI Signature
(1) Applicable FAR relate to PVT pilot privileges, limitations, flight ops			
(2) NTSB accident reporting			
(3) Use of AIM and Advisory Circulars			
(4) Aeronautic Charts, Pilotage, Dead Reckoning, Nav systems.			
(5) Radio Comm procedures			
(6) Critical Weather ground/air, wind shear, weather reports forecasts			
(7) Safe /efficient aircraft ops, collision avoidance, wake turbulence			
(8) Effects of density altitude on takeoff and climb			
(9) Weight and balance computations			
(10) Principles of Aerodynamics, powerplants, aircraft systems			
(11) Stall awareness, spins and recovery			
(12) Aeronautic Decision making			
(13& 14) Preflight Rwy length, performance charts, weather reports, fuel burn, Alt/diversions			

I certify that I have provided the above ground instruction per CFR 61.105(b) to _____, on the above dates. _____ CFI, Cert _____ Exp _____

Log of GROUND per Flight Proficiency 61.107 (b)

Subject	Hours	Date	CFI signature
(1) Preflight preparation			
(2) Preflight procedures			
(3) Airport/Seaplane base operations			
(4) Take off, landings, go-arounds			
(5) Performance Maneuvers			
(6) Ground Reference Maneuvers			
(7) Navigation			
(8) Slow Flight, Stalls			
(9) Basic Instrument maneuvers			
(10) Emergency operations			
(11) Night operations			
(12) Post Flight procedures			

I certify that I have provided the above ground instruction per CFR 61.107(b) to _____, on the above dates. _____ CFI, Cert _____ Exp _____

NOTE: this form is provided as a sample for CFI/Student convenience and is recommended but not required to expedite verifying applicant eligibility at the time of the check ride. Similar documentation in the applicant log book is acceptable. IF you are Part 141, your graduation certificate satisfies this requirement.
